VISION STATEMENT

We aim to be the leading supply and service provider of affordable, cutting-edge provider and service solutions for the enduring benefit of our customers and stakeholders

Our vision statement implies that:

- We will continue to build our business in South Africa, while expanding into the rest of africa. our strategic focus areas provide more insight into our progress and outlook
- We want to be most admired by our stakeholders. Without passionate and motivated staff members we will not be able to attract and retain the clients that are key to the delivery of exceptional service.

MISSION

Is to be the preferred service provider by putting our stakeholders employee at the centre of everything we do and Deliver professional services that address the needs of all our stakeholders

OUR VALUES

- Integrity and Ethics
- Honestly
- Respect
- Accountability
- People-Centered
- Client-Driven
- Team work

SUSTAINABILITY

We aim to develop a sustainable enterprise in Africa that is balanced in its demands and returns to direct and indirect stakeholders: which includes; enabling socio-economic transformation, being a good corporate citizen and becoming the business partner and employer of choice in the areas where we operate.

We place a priority on partnering with people, organisations and communities that share our passion for sustainable development and recognise the potential that exists to maximise positive impacts by working together.

STRATEGIC FOCUS AREA

We're focused on delivering innovative market-leading client experiences; growing our transactional banking franchise faster than the market; being operationally excellent in all we do; managing scarce resources to optimise economic outcomes and providing our clients with access to the best financial services network in Africa.

STRATEGY STATEMENT

To be the preferred supply of Grain and Fruits in Africa
 "We will achieve mutual success through precision formulation and innovation in animal product solutions, and faultless customer support and service."

We aim to develop a sustainable enterprise in Africa that is balanced in its demands and returns to direct and indirect stakeholders: which includes; enabling socio-economic transformation, being a good corporate citizen and becoming the business partner and employer of choice in the areas where we operate.

Our Stakeholder Engagement

We place a priority on partnering with people, organisations and communities that share our passion for sustainable development and recognise the potential that exists to maximise positive impacts by working together.
